DE and BI Team,

As we wrap up our engagement, I just wanted to take a moment to say a heartfelt thank you to each of you for your support over the last 4–5 years on the RGM project.

It's been a long journey, and we've been through many releases, challenges, tight timelines, and successes together. Throughout it all, your commitment, responsiveness, and willingness to work as one team have made a real difference. We truly appreciate the effort and ownership you've brought to the project over the years.

Working with your team has been a great experience, and we're grateful for the strong partnership we've built.

Thank you once again for everything you've done to help make the RGM project a success. Wishing you and your team all the very best for the future. I hope our paths cross again someday.
